

Membership Form
[Confederation of North East FPOs & Aggregators (CNEFA)]

Respected Member,

As you are aware that your respective Farmer Producer Company is gradually in the path of growth with the number of members growing every year CNEFA will be providing them with a platform to reap the various benefits that an FPC has to offer.

Now, at this juncture, it becomes all the more important as an FPC to help and support the Farmer members by guiding them in the right direction through professional support.

With this vision of helping and guiding the FPCs, a Federation of FPOs known as **Federation of Indian FPOs and Aggregators (FIFA)** is already in existence at the National Level under the Govt. of India.

Now, in order to pioneer the cause further in the North East of India, a Federation of the FPOs of the North East named as **Confederation of North East FPOs and Aggregators (CNEFA)** has been established with the purpose to guide the FPCs in achieving the goal for conducting viable agribusiness by providing them with appropriate convergence on Forward Linkage, Backward Linkage, IT Intervention, access to various Govt. Schemes, Training, etc. to name a few.

In this matter, your FPC is being given an opportunity to become a member of the federation thereby paving the way for a better future.

By signing this membership form your FPC is being inducted as a member of CNEFA.
